About Us

DE NAN FOR SERVICES AND CONSTRUCTION

- DSC is one of the capable players in the market which undertakes the complete portfolio of Design, Engineering, Fabrication, Implementation and Services.
- Design-Build offers many unique benefits and advantages that other construction methods simply don't deliver. It's why 90 percent of our projects are Design-Build.
- Some of the biggest benefits of Design-Build are rapid delivery, a smooth process, better solutions and better communication.
